Description:

The course leads you from **level 1**

It will guide you step by step through the different objectives and requirements of the level. It is meant for students with English as a native tongue (it has subtitles, translations and documents to print in English)

A1 highlights the first knowledge in Korean language. It recognizes basic knowledge. It is the most basic level at which a language is used, called the "discovery" stage. At this stage, the learner can interact in a simple way: he/she can speak about him/herself and his/her immediate environment.

The course is taught in English /Hindi and Korean as much as possible to immerse yourself in the language, this will help you **A LOT** to improve your listening skills.

In this course, you will find:

- A shared Google doc from the teacher to give u in detail notes and corrections done in the class each day.
- PowerPoint animations with grammar or vocabulary description
- Conjugation lessons with ready-to-use phrases
- Audio and oral exercises to practice your listening and pronunciation
- lots of quizzes to check what you learnt
- Plenty of PDF documents to print (to recap lectures, list vocabulary or have conjugated verbs printed
- A few Korean songs to study
- Korean Free Speaking workshops held by the company on various Topics to fully immerse into the language and practice speaking.

Who this course is for:

- Students who are complete beginners in the language.
- People who have already studied Korean at a basic level and want to refresh their knowledge and continue to learn
- Students who wish to prepare themselves for international exams.

Why choose us:

- Useful Notes, links & online practicing resources so you can achieve results every single day.
- Certificate provided. (recognised globally, for immigration purpose)
- LIVE video training with Expert certified teachers.
- Downloadable Course Summary
- We train our students for the international exams

The course is customized and made in an easy way for you; there are different topics that you'll be learning every day.
